

# The Official Guide To The Generations: Who They Are, How They Live, What They Think

## PAI Questionnaire

1. Who are you? What's driving you to stay in AIESEC? Why are you running for the position of PAI? What do you want to give and take out of this experience as PAI?
2. Which trends and recent happenings across the globe do you see shaping the world we live in? Based on that, what will it mean for AIESEC to become a Youth Leadership Movement within 2020?
3. What in your opinion are AIESEC's biggest successes and learnings over the last 10 years and how do they contribute to the organization we know today. How will you utilize them in your term as PAI?
4. Assess the implementation of AIESEC 2020 so far. What do you think needs to continue and what needs to evolve in our organization in order to successfully achieve AIESEC 2020?
5. What behaviors do you see AIESEC 2020 bringing to the organization? How would you address them?
6. As PAI, how would you ensure that we stay true to our promise of leadership development to all customers, maintain organizational sustainability and growth for the coming years?
7. What are the 3 key areas we should focus on globally for generation 17.20?
8. What should be the role of the different layers of the organization (eg- MC-AI) in the implementation of 2020? What needs to happen next year for that role to become a reality?
9. Benchmark AIESEC across a movement of your choice. Provide your analysis and key insights for AIESEC to learn from.
10. In the context of 2017-2018, rank in order of importance the key responsibilities of President of AIESEC International (Team management, strategic direction, AI financial sustainability, governance and accountability, global network engagement and communication, and external representation, and other responsibilities you deem necessary) and the reasons for your ranking

## Blank Page Challenge

You have 1 page and all your creativity to propose what is the biggest question that lies in front of AIESEC today and give an answer to it. You have the license to change the system, to challenge any paradigms and unleash the potential of the organization.
