

The Psychology Of Marriage: Basic Issues And Applications

**Are you considering
embarking on a PhD?**
Come along and find out how to be part
of the international psychological
research community

THE NYC DEPARTMENT OF PSYCHOLOGY

invites you to attend a talk focused
on psychological research

Psychology is a discipline grounded
in scientific research with endless
applications to everyday life.
Psychological research informs
and guides diverse aspects of daily
life such as: those seeking help with
issues that affect their personal
relationships and emotional wellness,
education, and the criminal justice
system.

*The University of Bolton MPhil / PhD programme
at New York College, Athens:*

*A summary of the application procedure
and how to succeed!*
